DOHMH Reporting Portal Welcome, John Doe

[Home](#) [Request Report Access](#) [Need Help?](#)

Welcome to DOHMH Reporting Portal.

The DOHMH Reporting Portal is a public-facing application that allows DOHMH to easily share dynamic reports from real-time data sources with authorized external users. The DOHMH Reporting Portal also has a document sharing capability that allow DOHMH employees and authorized external users to easily share documents.

Bioterrorism

Contains reports of results for environmental sampling operations during biological incidents. All documents are ...

Syndromic Surveillance

Contains only those transactions posted to your Dept IDs by another processing unit. Included in ...
